**APPLICATION FOR DIRECTION UNDER S.14 (1) R/W S.18 OF THE
NATIONAL GREEN TRIBUNAL ACT**

- 1) The addresses of the Applicant is as given above for the purpose of service of notices,
the same may be served upon their Counsel KNS Law Chambers, having office at New
No.13 Old No.5/1, Jagadeeswaran Street, T.Nagar, Chennai – 600 017.
- 2) The addresses of the Respondents are as given above for the service of notices of the
application.

3) The Applicant above-named begs to present the Memorandum of Application on the facts and grounds set-out hereunder:

4) Facts in brief:

- a. That the Applicant herein, is a dutiful citizen of India and has been actively participating in waste management in and around the state of Tamilnadu. The Applicant herein has also been part of a large action initiated for restoration of the Madipakkam Lake extending to about 100 acres in their locality and currently the entire lake is protected and conserved as a natural resource.
- b. The cause of action for filing this application arose on the following occasions when the applicant
 - i. On 12.09.2023 when the Applicant sent a Representation dated 12.09.2023 to the Respondents seeking action against the illegal dumping of garbage in the open yard at Thyagaraja Colony in Thiruvaiyaru – 613204. (hereinafter referred to as 'Said Place').
 - ii. On 19.10.2023 when the 3rd Respondent vide a letter dated 19.10.2023 bearing No. Na.Ka. No. ந.க. எண்.3225/2023 instructed the Block Development Officer of Thiruvaiyaru Municipal Corporation to take appropriate action as per the rules and send a report with the photograph to the Applicant and to the 3rd Respondent by 06.11.2023 and there has no action taken till now.
- c. The Applicant submits that on 02.09.2023, when the Applicant visited Shri Thyagaraja Swamigals Sanctum, at Thiruvaiyaru, he found that the large amount of garbage was being dumped near a graveyard is situated in the Thyagaraja Colony comprised in Survey No. 334 and 338, Thiruvaiyaru Village, Thiruvaiyaru Taluk, Thanjavur District (hereinafter referred to as said place) and the said place is adjacent to Kaveri River where it is used as one of the main sources for drinking water as well as for irrigation.

- d. The Applicant submits that in the Said Place, huge tons of mixed solid waste garbage including sanitary waste, plastics and other household waste, etc., being illegally dumped in the open yard. The Applicant further submits that the stray dogs, cattle and donkey are attempting to eat the mixed solid waste garbage and due to the garbage dumping the nearby water body is fully contaminated. The Applicant further submits that the copy of the Photographs taken during September, 2023 is annexed herewith as **Annexure (A1)**.
- e. The Applicant submits that pertaining to the above-mentioned illegal dumping of Garbage in the Said Place, the Applicant had sent a representation dated 12.09.2023 to the Respondents requesting them to remove the illegal dumping of garbage and to immediately take action to forthwith stop the illegal dumping of garbage in the Said Place. The Applicant further submits that the copy of the representation dated 12.09.2023 sent to the Respondents is annexed herewith as **Annexure (A2)**.
- f. The Applicant submits that the 3rd Respondent vide a letter dated 19.10.2023 bearing No. Na.Ka. No. ந.க. எண்.3225/2023 had instructed the Block Development Officer of Thiruvaiyaru to take appropriate action as per the rules and send a report with the photograph to the Applicant and 3rd Respondent by 19.10.2023. The Applicant further submits that the copy of letter dated 19.10.2023 bearing No. Na.Ka. No. ந.க. எண்.3225/2023 issued by the 3rd Respondents is annexed herewith as **Annexure (A3)**.

- g. The Applicant submits that large amount of illegally piled up garbage which has not been segregated and disposed off accordingly or any other process such as bio-mining has been undertaken at the said dump yard, as per The Solid Waste Management Rules, 2016, making the soil and water completely unusable by the residents and causing pollution to water and soil.
- h. The Applicant submits that the Municipal Solid Wastes (MSW) in the existing dump yard where dumping has been done illegally has become a nuisance affecting significantly the health, hygiene and sanitation of surrounding areas. If these wastes are not properly disposed off they can prove to be perilous and an environmental hazard.
- i. The Applicant further submits that the Respondents have failed to take this issue of solid wastes, specifically large amounts of plastic wastes, being dumped on open yard indicates a clear negligence and careless attitude of the authorities.
- j. The Applicant submits that despite the MSW Rules, 2016 providing for penal action against the waste generators, the Respondents have failed to evolve a policy / strategy to deal with the entire issue of illegal dumping of garbage in the Said Place.
- k. The Applicant submits that the office of the 2nd Respondent, which has a mandate to make periodical inspections in the areas which are major and vital roads connecting heritage sites, water bodies and reserve forest area. The Applicant further submits that the Respondents has failed to take this issue of solid wastes, specifically large amount of plastic wastes, being dumped on open yard in pivotal road indicates a clear negligence and careless attitude of the authorities. The copy of the Thiruvaiyaru village map is annexed herewith as **Annexure (A4)**.

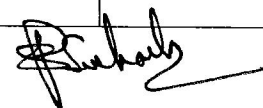

- I. Out of the facts that are mentioned herein above, there are violations made by the Respondents giving rise to the grounds mentioned hereunder.

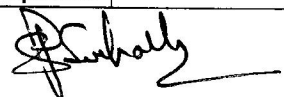

5) GROUNDS

- a. The Respondents who are duty bound to protect the people from any health hazard, are now taking hectic steps to dump garbage in the land in question thereby ignoring the objection from the people living in the locality.
- b. All wastes are to be treated in accordance to the specific procedure laid down in the rules as each of them has adverse consequences if left unattended.
- c. The illegal dumping of the garbage in open yard not only poses health risks but also contaminates the soil, ground water, pollutes the air, leads to breeding of mosquitos and other risks which will have serious effects.
- d. That the violations made by the Respondents under different environmental legislations, rules and regulations are detailed below for easy reference:

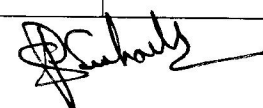

S. No	Act / Rule/ Regulation	Provision	Violation	Respondent
1.	The Plastic Waste (Management and Handling) Rules, 2016	Rule 8. Responsibility of waste generator. – (1) The waste generator shall. - (a) take steps to minimize generation of plastic waste and segregate plastic waste at source in accordance with the Solid Waste Management Rules, 2000 or as amended from time to time. (b) not litter the plastic waste and ensure segregated storage of waste at source and handover segregated waste to urban local body or gram panchayat or agencies appointed by them or registered waste pickers', registered recyclers or waste collection agencies;	The Respondent must be held responsible for failing to segregate and properly dispose the plastic waste.	Respondent No.1 and 5

		(2) All institutional generators of plastic waste, shall segregate and store the waste generated by them in accordance with the Municipal Solid Waste (Management and Handling) Rules, 2000 under the Act or amendment from time to time and handover segregated wastes to authorized waste processing or disposal facilities or deposition centers either on its own or through the authorized waste collection agency.		
2.	Solid Waste Management Rules, 2016	Rule 12. Duties of District Magistrate or District Collector or Deputy Commissioner- (a) facilitate identification and allocation of suitable land as per clause (f) of rules 11 for setting up solid waste processing and disposal facilities to local authorities in his district in close coordination with the Secretary-in-charge of State Urban Development Department within one year from the date of notification of these rules; (b) review the performance of local bodies, at least once in a quarter on waste segregation, processing, treatment and disposal and take corrective measures in consultation with the Commissioner or Director	With respect to Rule 12, the District Collector is bound to ensure that the wastes generated has been properly disposed off in accordance to the prescribed rules atleast once in quarter but in the present case the 3 rd Respondent despite having knowledge over the dumping of garbage in such pivotal road has failed to review it periodically as prescribed under the rules.	Respondent No.3
		Rule 15. Duties and responsibilities of local authorities and village Panchayats of census towns and urban agglomerations.- The local authorities and Panchayats shall,- (zf) frame bye-laws and prescribe criteria for levying of spot fine for persons who litters or fails to comply with the provisions of these rules and delegate powers to	With respect to Rule 15, the Local Authorities must ensure that they have followed the step-by-step process laid down to dispose of the waste and also must make sure that the people in the said locality are educated on the waste disposal	Respondent No.1 and 5

		officers or local bodies to levy spot fines as per the bye laws framed; and (zg) create public awareness through information, education and communication campaign and educate the waste generators	methods followed by them and if they fail to do so they would be subject to fine. In the present case the 1st Respondent has failed to follow the prescribed mechanism and has also failed to take punitive action against the people who fail to follow the prescribed norms. The 1st Respondent has failed to educate the people residing in the said locality with respect to the disposal of the garbage.	
		Rule 16 “Duties of State Pollution Control Board or Pollution Control Committee” (a) enforce these rules in their State through local bodies in their respective jurisdiction and review implementation of these rules at least twice a year in close coordination with concerned Directorate of Municipal Administration or Secretary-in-charge of State Urban Development Department; (4) The State Pollution Control Board or the Pollution Control Committee, as the case may be, shall monitor the compliance of the standards as prescribed or laid down and treatment technology as approved and the conditions stipulated in the authorisation and the standards specified in Schedules I and II under these rules as and when deemed appropriate but not less than once in a year. (5) monitor environmental standards and adherence to	With respect to Rule 16, the 4th Respondent has failed to make periodical check with the Local bodies twice a year ensuring that the rules prescribed has been properly followed upon.	Respondent No. 4

		conditions as specified under the Schedule I and Schedule II for waste processing and disposal sites;		
		SCHEDULE I Specifications for Sanitary Landfills (A) Criteria for site selection. - (vii) The landfill site shall be 100 meters away from river, 200 meters from a pond, 200 meters from Highways, Habitations, Public Parks and water supply wells and 20 km away from Airports or Airbase. However, in a special case, landfill site may be set up within a distance of 10 and 20 km away from the Airport/Airbase after obtaining no objection certificate from the civil aviation authority/ Air force as the case may be. The Landfill site shall not be permitted within the flood plains as recorded for the last 100 years, zone of coastal regulation, wetland, Critical habitat areas, sensitive eco-fragile areas.	1. With Respect to the SCHEDULE I of the MSW, Rules 2016, the Landfill site should be present 200m/100m from water bodies but in the present case the illegal garbage dump is present in the Said Place which is a pivotal road connecting heritage sites, water bodies and the Forest reserve area and therefore it is in violation of the MSW Rules, 2016 and the 1st Respondent has failed to comply with the provisions as prescribed. 2. The Dumping of garbage in the Said Road is near the Kaveri River which naturally is the habitat of animals and when not taken proper care of the surroundings it will not only have adverse effects on the flora and fauna but also pose severe health risks for wild animals which come for drinking water and to human beings if the said water is to be contaminated.	Respondent No. 1 and 5

5.	National Green Tribunal Act, 2010	Section.2(m) 'substantial question relating to environment' shall include an instance where: - (i) There is a direct violation of a specific statutory environmental obligation by a person which (a) The community at large or other than an individual or group of individuals is affected or likely to be affected by the environmental consequences; or (b) The gravity of damage to the environment or property is substantial; or (c) The damage to public health is broadly measurable;	There is definitely a direct violation of a specific statutory environmental obligation by the Respondents.	All Respondents
----	--	--	---	-----------------

6) Limitation

The cause of action for filing this application as mentioned aforesaid arose on the following occasions when the Applicant on 12.09.2023 sent a Representation to the Respondents seeking action against the illegal dumping of garbage in the open yard at Thyagaraja Colony in Thiruvaiyaru – 613204 and on 19.10.2023 when the 3rd Respondent instructed the Block Development Officer of Thiruvaiyaru Municipal Corporation vide a letter dated 19.10.2023 bearing No. Na.Ka. No. ந.க. எண்.3225/2023 to take appropriate action as per the rules and send a report with the photograph to the Applicant and to the 3rd Respondent by 06.11.2023. Therefore, this Application is filed within the limitation period as may be prescribed.

7) Memorandum of Fees:

Total Tribunal Fees paid – Rs. 1000/-

8) Interim- Prayer:

In these circumstances, it is therefore prayed before this Hon'ble Tribunal to pass an ad-interim ex-parte temporary injunction against the Respondents, their men, representatives, officials and others etc., to immediately stop the illegal and wrongful dumping of mixed solid waste at Survey No. 334 and 338, Thiruvaiyaru Village, Thiruvaiyaru Taluk, Thanjavur District and pass such other order as this Hon'ble Tribunal may deem fit and thus render justice.

8) Main – Prayer:

In these circumstances, it is most respectfully prayed that this Hon'ble Tribunal may be pleased to:

- a. Grant a permanent injunction against the Respondent No. 1 and 5, their men, officials, representatives, others, etc. preventing them from illegally dumping of mixed solid wastes including sanitary waste, plastics and other household wastes., etc in Survey No. 334 and 338, Thiruvaiyaru Village, Thiruvaiyaru Taluk, Thanjavur District
- b. Direct the 1st Respondent, Block Development Officer, Thiruvaiyaru to remove the existing plastic wastes and solid wastes at Survey No. 334 and 338, Thiruvaiyaru Village, Thiruvaiyaru Taluk, Thanjavur District and to scientifically treat and dispose them accordingly under MSW Rules.
- c. Direct the 4th Respondent, to take punitive action against the Respondent No. 5 to follow the norms prescribed under the Municipal Solid Waste Rules, 2016 with regarding to disposal of garbage in the Said Locality and also against the illegally dumping garbage in the Said Place.
- d. Pass any other order or direction that this Hon'ble Tribunal may deem fit and proper in the interest of justice.

Sir/Madam

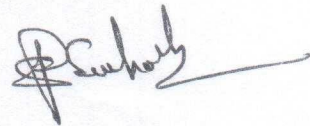

Sub: Request to take action against illegal dumping of garbage near Kaveri River, Tiruvaiyaru - 613204.

I, S.P.Surendranth Karthik S/o.K.R.Subramanian, aged about 47 years, having office at No.13, Old No.5/1, Jagadeeswaran Street, T Nagar, Chennai-600017, would like to state as follows:

1. On 02.09.2023, I happened to go on a walk near Thyagaraja Colony in Thiruvaiyaru – 613204. A Graveyard (hereinafter referred to as said place) is situated in the Thyagaraja Colony and adjacent to the said place Kaveri River is situated. To my utter shock, I could see huge tons of mixed solid waste garbage including sanitary waste, plastics and other household waste, etc., being dumped in the open yard.
2. Due to the illegal dumping of garbage the water body is fully contaminated thereby causing a serious threat to the river. The water from the Kaveri River has been a main source for irrigation to the farmers and it is also used for drinking by the residents of entire locality of Thiruvaiyaru.
3. As per the Solid Waste Management rules,2016, dumping of garbage especially near water bodies is strictly prohibited and the local body which has to take action against such illegal dumping of garbage has not done so. It is also the responsibility of the local municipal authority to educate the locals on prevention of such dumping and to establish bio waste compost sites but even that was not available there.
4. The said dumping of garbage near the Kaveri River which naturally remained as an important source of portable water for the residents in and around the area of Thiruvaiyaru and when proper care is not taken of the surroundings it will not only have adverse effects on the flora and fauna but also pose severe health risks for animals which come for drinking water and to human beings if the said water is to be contaminated.

5. As laid down under the Solid Waste Management rules, 2016, the landfill site should not be within 200 meters from any water sources but here the garbage has been illegally dumped near a river which not only poses health risks but also contaminates the soil, ground water, pollutes the air, leads to breeding of mosquitos and other risks which will in turn have serious effects.
6. All wastes are to be treated in accordance to the specific procedure laid down in the rules as each of them has adverse consequences if left unattended.
7. I therefore request you to take immediate action to forthwith stop the illegal dumping of garbage while also ensuring that the illegal dumping is removed for and are disposed of at the earliest, keeping in mind the adverse effects it has on the surrounding and the contamination caused in the Kaveri River.

Thanking you,

S.P. SURENDRANATH KARTHIK
